Re: Application No. 1874

Dear Mr. McAllister:

In November 1985 I submitted a grant proposal entitled "Smoking and Parkinson's Disease" to the Council for Tobacco Research. This proposal was not funded. However, I learned from Mr. Arnold Pfeffer, Chief Executive Officer, National Parkinson Foundation, that your Council is willing to consider a revised application for a research grant. I therefore kindly request that you send me the forms for a "new final grant application". I am looking forward to an opportunity to resubmit a revised proposal.

Sincerely yours,

F. Hefti
